What have we heard them say?

What can we imagine them saying?

What are their wants, needs, hopes, and dreams? What other thoughts might influence their behavior?

Our expertise in the

local market means

we can help you find

homes that meet

you wants and

needs

A place where I would live happily with my family.my house would also be a wonderful place decorated with

beautiful paintings

Dream house was designed with primary aim to materialize its owner's dream. A dream of a home that will not only fulfill his functional needs and accommodate his family

People love natural

light shining in their home.Big windows are great for natural light and being able to see the outdoors, making anyone's day better

Dream house is one of those life achievements that are at the top of practically everyone's bucket list, luxury bunglow (or) suburban house

Homes is where love,hope,and dreams begin."the magical thing about a home is that it feels good to leave, and it feels even better to come back"

Thinks

Dream Homes Realty

Pay attention to apperance, interpret facial expressions

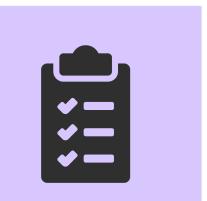

Communication, social interaction, conscious, patterns of behaviour

Behaviour is how someone acts.Behaviour is a response to things that are happening:internallythoughts and feelings Something that frightens you and needs to fixed.it's usually something real that's threatening to you

Houses can be symbols of the self, expressing concern about self-care

The mind's way of processing emotions, and when we're under stress, our dreams can turn into anxiety dreams

Feels

Does

What behavior have we observed? What can we imagine them doing?

What are their fears, frustrations, and anxieties?

What other feelings might influence their behavior?
